## Complete Energy Solutions

Our Company supports the EU's plan for a green transition, more precisely 'Fit for 55 package' developed in order to reduce the emissions by at least 55% until 2030.

Ambitious steps have been set for both

short-term 2030 and longer term 2050 objectives.

We are fully invested in supporting local Governments in order to achieve the goals set by the European Council for each member country.
