NOVA company successfully offers customers high-quality glue and accessories for industrial organizations. Working on the market since 1991, the company has developed extensive experience in the supply of glue. In addition, we work with reliable suppliers to carefully select the product.

NOVA company is an official dealer of reliable HMA manufacturers Nan Pao for rubber based HMAs and Guerola for EVA-based and APAO-based HMAs.

Why us?

Customer care

For the most difficult tasks of the client and in the most difficult market conditions, we always find the optimal solution.

Great experience

We have been working since 1991, and during this time we have accumulated ready-made solutions for various tasks.

Effective solutions

Even for the simplest tasks, we are looking for extraordinary, more effective solutions.

Balance of price and quality

We sell quality solutions to our clients.

Free samples

We provide the required number of test samples for free.

Wide geography

Fast deliveries throughout Romania, Hungary, Lithuania, Poland and neighboring countries.
